

Northeast Dairy Compact Commission

§ 1301.17

during an interval in which the facilities of the non pool plant at which the fluid milk products are usually processed and packaged are temporarily unusable because of fire, flood, storm or similar extraordinary circumstances completely beyond the non pool plant operator's control;

(b) Packaged fluid milk products received at a pool plant from a non pool plant in return for an equivalent quantity of bulk fluid milk products moved from a pool plant for processing and packaging during the same month, if the movement of bulk fluid milk products and receipt of package fluid milk products occur during an interval in which the facilities of the pool plant at which the fluid milk products are usually processed and packaged are temporarily unusable because of fire, flood, storm, or similar extraordinary circumstances completely beyond the pool plant operator's control;

(c) Milk received at a pool plant in bulk from the dairy farmer who produced it, to the extent of the quantity of any packaged fluid milk products returned to the dairy farmer, if:

(1) The dairy farmer is a State or local government that is not engaged in the route disposition of any of the returned products, and

(2) The dairy farmer has by written notice to the compact commission and the receiving handler, elected non-producer status for a period of not less than 12 months beginning with the month in which the election was made and continuing for each subsequent month until canceled in writing, and the election is in effect for the current month.

(d) All fluid milk product disposed outside of the regulated area.

§ 1301.14 Fluid milk product.

(a) Except as provided in paragraph (b) of this section *fluid milk product* means any milk products in fluid or frozen form containing less than nine percent butterfat, that are in bulk or are packaged, distributed and intended to be used as beverages. Such products include, but are not limited to: Milk, skim milk, low fat milk, milk drinks, buttermilk, and filled milk, including any such beverage products that are flavored, culture, modified with added

nonfat milk solids, sterilized, concentrated (to not more than 50 percent total milk solids), or reconstituted.

(b) The term *fluid milk product* shall not include:

(1) Plain or sweetened evaporated milk, plain or sweetened evaporated skim milk, sweetened condensed milk or skim milk, formulas especially prepared for infant feeding or dietary use that are packaged in hermetically sealed containers, any product that contains by weight less than 6.5 percent nonfat milk solids, and whey; and

(2) The quantity of skim milk in any modified product specified in paragraph (a) of this section that is in excess of the quantity of skim milk in an equal volume of an unmodified product of the same nature and butterfat content.

§ 1301.15 Fluid cream product.

Fluid cream product means cream (other than plastic cream or frozen cream), including sterilized cream, or a mixture of cream and milk or skim milk containing nine percent or more butterfat, with or without the addition of other ingredients.

§ 1301.16 Filled milk.

Filled milk means any combination of nonmilk fat (or oil) with skimmed milk (whether fresh, cultured, reconstituted, or modified by the addition of nonfat milk solids), with or without milk fat, so that the product (including stabilizers, emulsifiers, or flavoring) resembles milk or any other fluid milk product, and contains less than six percent nonmilk fat (or oil).

§ 1301.17 Cooperative association.

Cooperative association means any cooperative marketing association of producers which the Secretary of Agriculture of the United States determines:

(a) To be qualified under the provisions of the Act of Congress of February 18, 1922, known as the "Capper-Volstead Act";

(b) To have full authority in the sale of milk of its members; and

(c) To be engaged in making collective sales of, or marketing milk or its products for its members.
